Hello all,

We are pleased to present our first issue of our newsletter to you... & to let you know that our website is up and running. Visit this at [www.wooddesign.co.nz](http://www.wooddesign.co.nz)

Enjoy seeing just a few of the jobs we have recently done.... and keep an eye out for our newsletters' to follow. As busy as we are, we certainly have a lot to put in our next addition!

Best Regards,  
Kirsty

## Corpthorne Hotel Bar re-fit.

The Copthorne hotel in Omapere recently re-did their bar area, achieving a very 'wow' look with the solid timber counter area & a 100mm thick corian top. Under the benchtop, small LED

lights give a perfect finishing touch, especially at night!

This bar fitted perfectly into its surroundings, echoing the timber ceiling – the place to visit when next in Omapere, Hokianga!

# Binnie Street, Paihia

Wood Design very recently completed the kitchens, wardrobes, bathroom vanities & Laundries in the Binnie Street apartments located in Paihia.

The kitchens feature lacquer, stone benchtops, painted glass splash backs. A timeless colour scheme, yet very tastefully finished inside.

The bathroom vanities were Meltecca with Borelli benchtops-60mm thick.

The laundries are simple, practical, and best of all, they don't cost the earth! Constructed in durable Melamine with a Borelli benchtop, giving it a quality edge as well as practicality. The ironing board situated in a slim cupboard on the wall, keeping it out of the way & tidy... these laundries are great. View our brochure online at [www.wooddesign.co.nz/LAUNDRY](http://www.wooddesign.co.nz/LAUNDRY)

# Watercare, Auckland office fit out.

Beautiful board table and office furniture supplied to Watercare New Zealand offices in Auckland. Table was 6metres long!!! A real stunner. Constructed out of exotic 'Angare' veneer, with Jarrah solid timber edging, finished in a high gloss lacquer. WOW.

# I want to HETTICH my home -

## WIN \$10,000 towards your new or renovated kitchen or bathroom!

One lucky winner will collect a voucher for \$10,000 to spend at a Hettich endorsed showroom on Hettich products, cabinetry and installation.... Simply involves either manually posting a completed form off (we have brochures in store that can be collected or posted to you) or for the computer minded clients, clicking this link, <http://www.hettich.com.au/limesurvey/index.php?sid=21352&lang=en> which takes you to the online form that can be completed, very simply by following the instructions given. This campaign entitles you to go into the draw to win \$10,000 towards your kitchen/bathroom renovations- to be redeemed at WOOD DESIGN....

## Kerikeri High school cabinetry

KKHS recently completed their additional classroom facilities block, including a new science lab to replace the one that burnt down, new class rooms, storage, offices etc.

## Kerikeri kitchen.

Wood Design designed & manufactured this kitchen in Kerikeri. This stunning design features 100mm thick Stainless Steel Island bench with slab ends, lacquer door & drawer panels. The minimalistic look was required & no handles were wanted – here we used the Hettich electric system. A wee nudge and the drawer's open- great for cooks that often find themselves with messy hands & don't want to mess their kitchens doors...

## Living Nature.

Be it the display stands that catch your eye or the little pods and cassettes the makeup sits in, Wood Design manufactured hundreds of these for our local company, Living Nature.

No doubt when you're on your next trip through Duty Free or when you're visiting the pharmacy (even in Australia) you won't be able to help but notice the Living Nature stands! These display stands and cassettes are exceptionally different, unique and very cool.
